It's the same thing that happens when we see real human faces. the Man in the Moon is just one example of a strange phenomenon called pareidolia,

Quotes - What does " We don't see things as they

I believe this is related to the idea that each person who sees a thing will see it filtered through their own perceptions. So none of us really see it objectively.

Visiting a brick and mortar library is no longer necessary if you need a novel to read during your daily commute, a short stories collection for your school essay or a handbook for your next project. It is extremely likely that you currently possess at least one device with a working Internet connection, which means that you have access to numerous online libraries and catalogs. Unfortunately, not all of them are well-organized and sometimes it is pretty hard to find the ebook you need there.

This website was designed to provide the best user experience and help you download Why We See What We Do: An Empirical Theory Of Vision pdf quickly and effortlessly. Our database contains thousands of files, all of which are available in txt, DjVu, ePub, PDF formats, so you can choose a PDF alternative if you need it.
